

**FORM 6**  
**GIS DATABASE USE**

Department/Division/Unit: \_\_\_\_\_

Respondent(s): \_\_\_\_\_

For each of the GIS data categories below, enter the status of use (C = Current, P = Planned) or leave blank if there is no current or planned use. Also, enter a priority (H = High, M = Moderate, L = Low). Base the priority on a relative judgment of frequency of use and how critical the data is for your Department or division. Include a comment that elaborates on data content and source, status of development or use, and ideas on future enhancement or use.
